Starr Aviation Offers Renters and CFI Non-Owned Coverage

Dear All,

Starr is pleased to announce our latest product in the form of the personal non-owned offering, available to both renter pilots and flight instructors. This unique product, as of April 1st, 2011, will be offered exclusively online through our StarrLink® system with coverage available for single and multi-engine piston aircraft and piston rotorcraft. We look forward to working on this together, and thanks for all of your Starr support.

Regards,
Jim Anderson & The Starr Team
Senior Vice President, Starr Aviation
